Dear Safety Web,

We have used many tie-downs through the years and nothing compares in ease of use and durability as the Cargo SafetyWeb. We were continually losing loads and the SafetyWeb solved that problem and has worked extremely well for us saving us time and money. We have noticed other dealers using the Cargo SafetyWeb as well. We have been using the SafetyWeb since the summer of 2000 and have not had to replace one yet.

Thanks for such a great product!

Sincerely,

DEAR SAFETY WEB;

WE HAVE SOLD SAFETY-WEB FOR SEVERAL YEARS, AND ARE VERY HAPPY WITH THE PRODUCT. WE PURCHASED FOUR OF THEM FOR OUR PARTS TRUCKS IN 1999 AND HAVE USED THEM EVERY DAY. WE JUST RECENTLY REPLACED THE ORIGINAL FOUR. THAT MEANS THAT WE RECEIVED FOUR YEARS OF SERVICE FROM THEM ! THEY WERE A GREAT INVESTMENT.

THANK YOU

DEAR SAFETY WEB,

WE BOUGHT YOUR PRODUCT AFTER SEVERAL OTHER TYPES FROM OTHER MANUFACTURES HAD FAILED.

YOURS IS STILL GOING STRONG. I WOULD RECOMMEND YOUR PRODUCT TO ANYONE WHO CARRIES A LOT OF HEAVY LOADS.

DEAR SAFETYWEB,

WE HAVE BEEN USING SAFETYWEBS ON OUR PARTS TRUCKS EVERY DAY FOR ABOUT THREE YEARS AND HAVE NOT HAD TO REPLACE ONE YET. YOUR PRODUCT HAS OUTLASTED EVERYTHING WE'VE USED IN THE PAST AND IS STILL WORKING LIKE THE DAY WE BOUGHT IT. THE SAFETYWEB WORKS GREAT AND SAVE US TIME AND MONEY, I WOULD RECOMMEND ANYONE HAULING ANYTHING TO USE THE SAFETYWEB.

THANK YOU,
